

RHINO CHARGE 2021
Additional Supplementary Regulation
No 3:
Sponsorship Pledges

These regulations apply to sections 6.3.iv of Rhino Charge 2021 Rules and Regulations.

Changes in Pledge Levels affecting Entry and Participation to the Rhino Charge 2021 event

- a. The minimum sponsorship for teams to participate in the Rhino Charge 2021, to be paid to Rhino Ark by Friday 9th July 2021, is 75% of an Entrant's existing entry pledges made according to rule 6.3.iv.

Example. Team X pledged 1,000,000 when they entered Rhino Charge 2021. They need to submit sponsorship of 750,000 to participate in the 2021 Rhino Charge.

- b. Teams who raise above 50% and less than 75% of their Existing Entry Pledge will be classified as "Hors Concours". This means:
 - i. They may attend the Rhino Charge 2021;
 - ii. They will be permitted to attempt the Rhino Charge 2021 course as normal, and will be expected to comply with all normal Rhino Charge 2021 regulations;
 - iii. They may not contend for any competitive prize and will not be given a competitive result.
- c. Teams who have already entered but cannot participate in the Rhino Charge 2021 or cannot raise more than their 50% sponsorship may, without penalty, withdraw from the Rhino Charge 2021 event by informing the Clerk of the Course in writing to management@rhinocharge.or.ke by 5pm on 15th May 2021. Any sponsorship already remitted or entry fee paid will not be carried forward to the 2022 event.
- d. To contend for the Victor Ludorum, teams must have fundraised their full original pledge.
