This supplements regulation E. Camping Rules

12. Drones

No drones are permitted to be flown except by members of the Official Drone Provider team and the Official Film Crew, who must abide by all KCAA regulations, as well as following all instructions issued by the Rhino Charge Clerk of Course.

Drones may only be flown at the Rhino Charge venue with the express permission, for every single flight, of the Clerk of Course.

Unauthorised flights are a safety risk to the aviation team at the event.

Requests must be routed via Official Channel 2 and must be assumed to be denied unless specifically granted. The procedure is:

1. Request to be made via Channel 2 stating pilot, location and estimated duration of flight.
2. Request will be either denied, delayed or granted with a specific timescale.
3. At the conclusion of the flight, pilot must report via Channel 2 that the flight has been completed.

This Bulletin is issued under the authority of the Rhino Charge Organising Committee and takes effect immediately upon publication.
